
**Instead of listening to
how AI will steal your job,**

**Here are 15 AI tools
you can use for your
advantage:**

Ocoya

Schedule social media content faster & easier.

The screenshot shows the Ocoya software interface. On the left, a sidebar menu is visible with the following items: Planner (selected), Socials, AI Copywriter, Analytics, Integrations, Settings, and Billing. The main content area has tabs for Content (selected) and Calendar. A message says "You have 0 posts." Below this, there is a preview window showing a Twitter post about burgers. The post includes a thumbnail with four burger images, the text "Time of eating the same old burger? Try our new burgers made with fresh ingredients.", and hashtags #tastyburgers #foodporn #delicious. At the bottom of the preview window, it says "Jan 5, 2023, 3:35 PM" and has "Schedule (4)" and "Save" buttons. At the bottom of the main content area, there is a "Create your first post" section with a "Create" button.

NeuralText

AI copywriter, SEO content tool & keyword research tool.

The screenshot shows the homepage of the NeuralText website. At the top, there is a navigation bar with links for Product, Pricing, About, Docs, Blog, Login, and Try for \$1 →. Below the navigation bar, there is a yellow button with three small profile pictures and the text "15,828 Happy Customers". A sub-header reads "WRITE SMARTER, NOT HARDER". The main headline is "Automate your content operations". Below the headline, a sub-copy states "The all-in-one content marketing platform that saves you time and money." There are two prominent buttons: "Login" and "Try for \$1 →". A section titled "Try some use cases:" lists three options: "Paragraph Generator", "Content Outline", and "Product description". At the bottom, a note says "Given an article title, this tool will generate a paragraph about that topic. For example, type a title like "best ways to invest". A blue "Chat with us" button is located in the bottom right corner.

Copy.

AI generated copy.

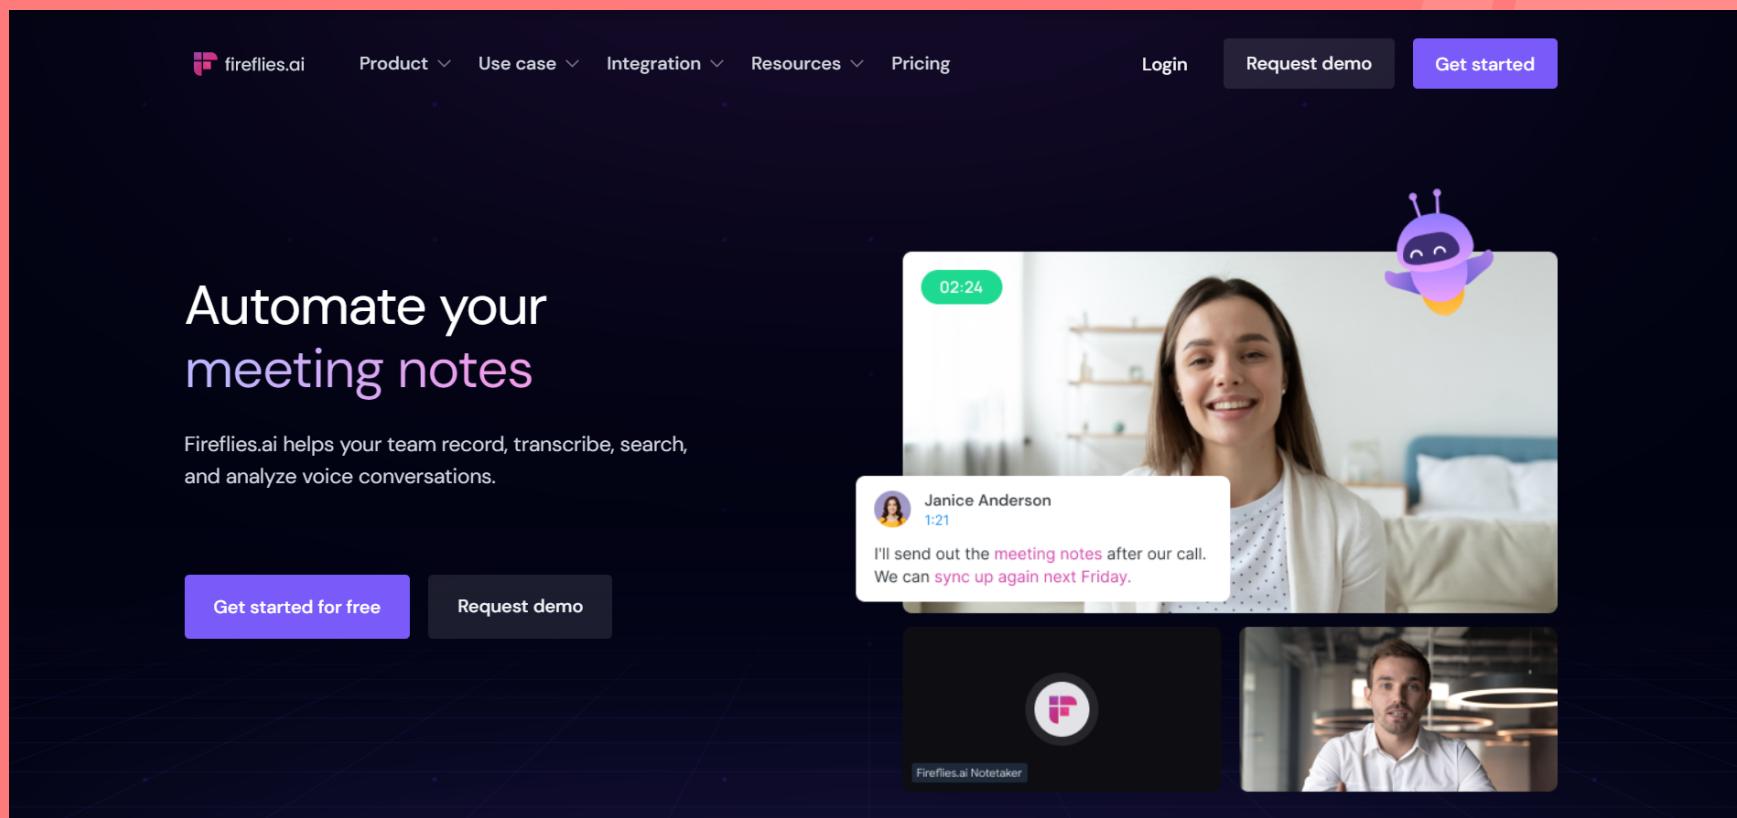

The screenshot shows the homepage of copy.ai. At the top, there's a navigation bar with the logo "copy.ai" and a "We're Hiring!" button, followed by links for "Use Cases", "Resources", "Weekly Demos", "Pricing", "Login", and a prominent green "Get Started — It's Free" button. Below the navigation is a large, bold headline: "Say 'goodbye' to the blank page for good". Underneath the headline is a call-to-action: "Get your free account today". There are two sign-up buttons: "Sign up with Google" (dark blue) and "Sign up with email" (green). A note below the buttons says "No credit card required". At the bottom, there are two circular callouts: one for "FOR BLOG WRITERS" with the text "Write blogs 10x faster" and another for "FOR SOCIAL MEDIA MANAGERS" with the text "Write higher converting posts".

Fireflies

Automates your meeting notes.

Example: transcribe meeting

Cleanvoice

**Removes filler sounds,
stuttering & mouth sounds
from your podcast.**

The image shows a screenshot of the Cleanvoice website. The background is a solid red color. In the center, there is a large white rectangular callout box. At the top left of the box is the Cleanvoice logo (three blue vertical bars) and the word "Cleanvoice". At the top right are three links: "Features", "Pricing", and "Login". Inside the callout box, the main headline reads "Stop wasting hours editing your podcast" in a large, bold, black font. Below this, a smaller paragraph explains: "Cleanvoice is an artificial intelligence which removes filler sounds, stuttering and mouth sounds from your podcast or audio recording". Underneath this text is a blue button with the text "Try it out →". Below the button, a small note says "30 Minutes for Free. No Credit Card needed.". At the bottom of the callout box, there are two sections: "BEFORE" on the left and "AFTER" on the right. The "BEFORE" section contains the text "Removing **uhhhhh** filler sounds and mouth **sss-** sounds is **click**". The "AFTER" section contains the text "Removing filler sounds and mouth sounds is very time". A horizontal arrow points from the "BEFORE" section to the "AFTER" section. To the right of the callout box, there is a faint, stylized illustration of a person's head and shoulders.

Podcastle

Studio-quality recording
and AI-powered editing.

The screenshot shows the Podcastle website homepage. At the top, there is a navigation bar with links for Product, Tools, Use Cases, Learn, For Teams, Pricing, Log in, and a prominent Get Started button. Below the navigation, the main headline reads "The One-Stop Shop for Broadcast Storytelling". A sub-headline below it states "Studio-quality recording, AI-powered editing, and seamless exporting – all in a single web-based platform". There is another Get Started button at the bottom of this section. A large, semi-transparent teal overlay covers the top half of the page. In the bottom right corner of this overlay, there is a small image of a person's face in profile, smiling. The background of the page features a large, stylized graphic of a person's head and shoulders in a light red/pink color.

Unbounce Smart Copy.

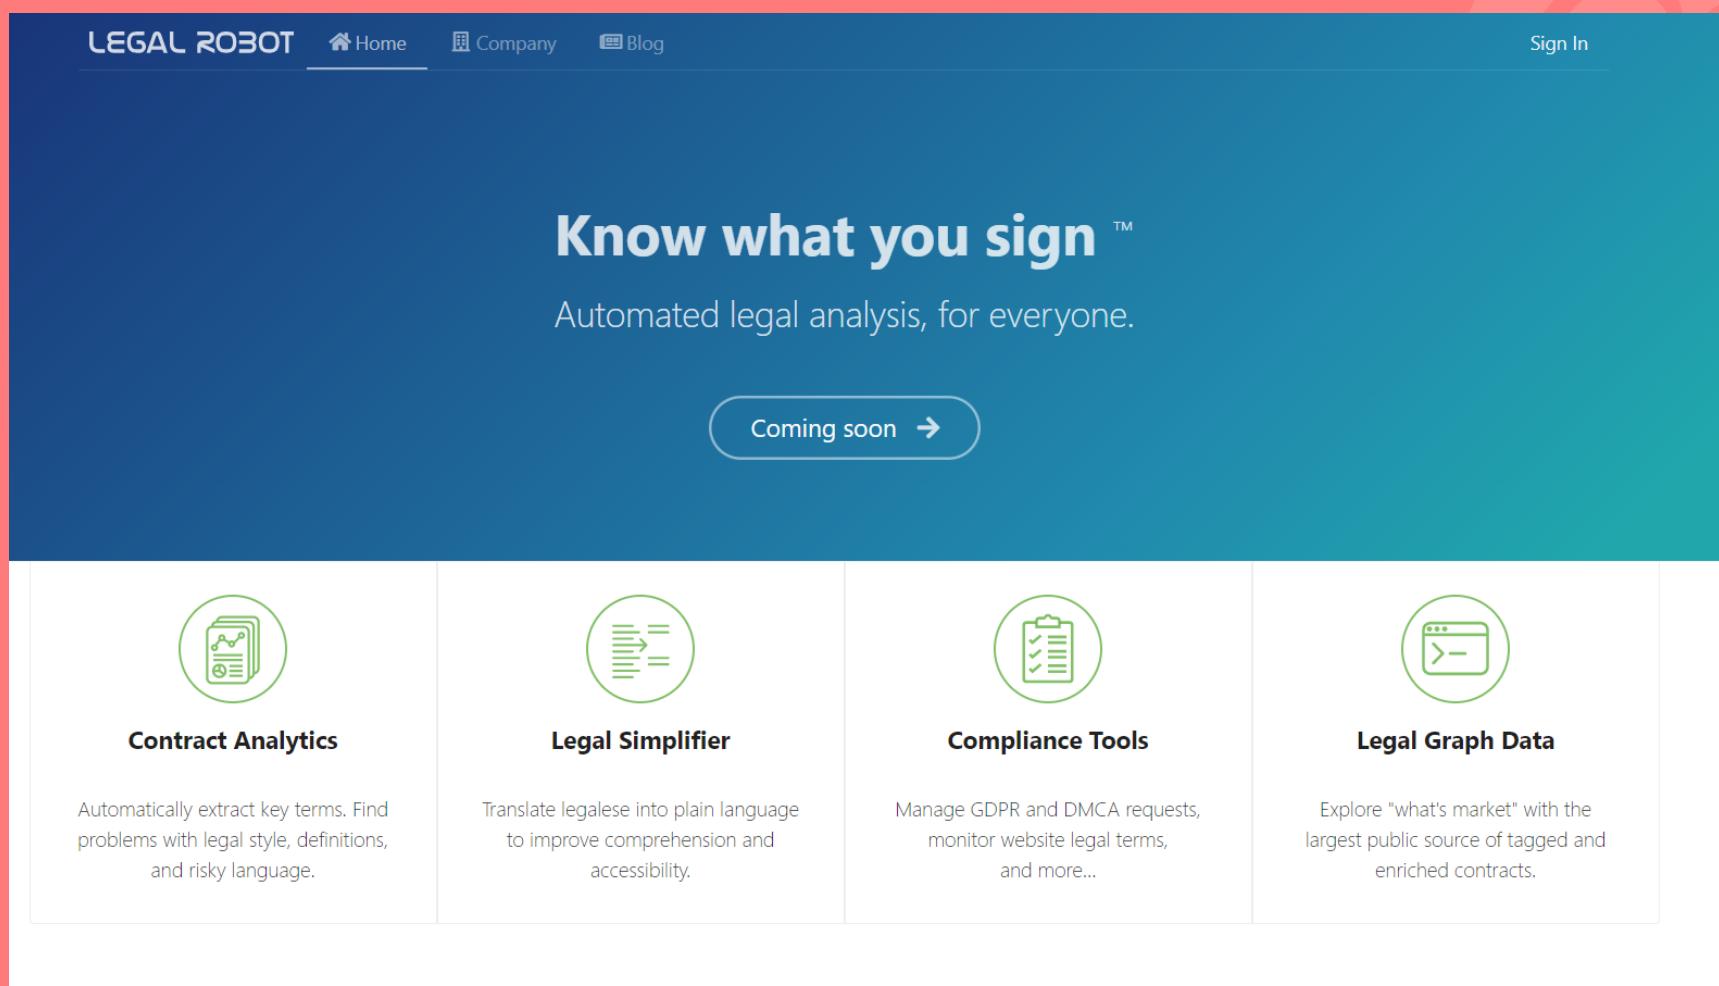

Generates content for your marketing campaigns.

The screenshot shows the Unbounce website's header with navigation links for Products, Solutions, Pricing, Learn, and Contact, along with Log In and Get Smart Copy for free buttons. Below the header, a section titled "– SMART COPY" features the headline "Instantly write sales emails with AI". A descriptive paragraph explains that engaging ads, emails, and landing pages are key to growing a business, and Smart Copy uses AI to generate original, persuasive content quickly. A large blue button at the bottom left encourages users to "Get Smart Copy for free". To the right, there's a visual representation of AI generating content, showing a woman smiling and various marketing assets like a landing page for "The Stylist Abroad" and a travel blog post about hairstyles.

Legal robot

Automated legal analysis.

The screenshot shows the Legal Robot website homepage. At the top, there is a navigation bar with links for "Home", "Company", "Blog", and "Sign In". Below the navigation bar, a large blue header features the tagline "Know what you sign™" and the subtitle "Automated legal analysis, for everyone.". A "Coming soon" button is visible. Below the header, there are four white cards representing different tools:

- Contract Analytics**: Automatically extract key terms. Find problems with legal style, definitions, and risky language.
- Legal Simplifier**: Translate legalese into plain language to improve comprehension and accessibility.
- Compliance Tools**: Manage GDPR and DMCA requests, monitor website legal terms, and more...
- Legal Graph Data**: Explore "what's market" with the largest public source of tagged and enriched contracts.

End hidden bias, literally.

Textio has developed the world's most advanced workplace language guidance, so you can see where social bias is hiding—and know exactly how to fix it. Now available for both recruiting and performance management!

Customer Service Manager
Job post for a Customer service role in Chicago

Our **passionate** team is hiring a **competitive** and **results-driven** customer service manager. We're a fun, **fast-paced** company, but we always **work hard**. As **our team** is rapidly **expanding**, we are looking for a **forward-thinking** leader who is also a **forward-thinking** leader. This will be more than just a cog in the system. We're looking for **phenomenal** customer reps, a **proven track record**, and a **positive attitude**. This will be a huge plus.

A different phrase here would tend to resonate more with women. Instead, you could try: **inspired by**

Do you have a great **sense of humor**? Are you **driven by** the ability to set and exceed **results-oriented** goals? Do you do your best **under pressure** with tight deadlines? When you see something that's a problem, do you make a change or just complain? If so, this might be the place for you.

Document library Analytics Ben

37 Textio Score Below Average

Slightly masculine tone

Appeals to older people

Contains too many questions
Sentences are too long
Uses fixed mindset language

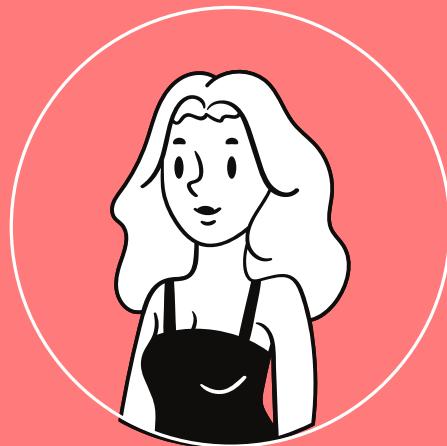

Textio is currently comparing your writing to 25,152 recent Customer service job posts in Illinois.

Thank you for reading!
